**ASK US ANYTHING**  
Seminar session

# We are a community

**Together, we can make anything  
possible, anywhere.....**

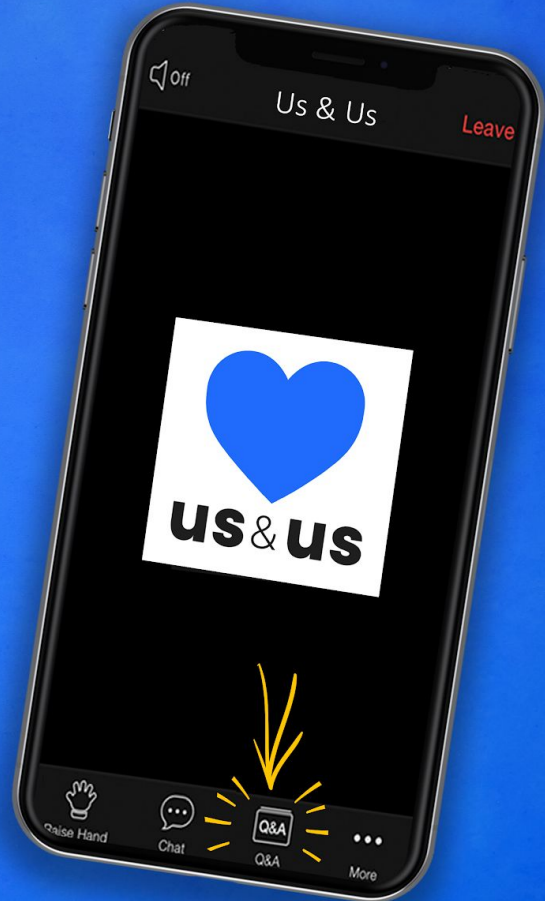

# Today's panel

**Together, we can make anything  
possible, anywhere.....**

# Questions

**Please ask questions via the Q&A**  
We will aim to answer as many as possible at the end.

# Agenda

- Your questions answered
  - Are virtual events the future?
  - What does a successful virtual event look like?
  - How else can we keep our audience engaged?
  - How do we get cut through in a crowded market place?
  - How can we use less budget and resource effectively?
  - The future...?
- Q&A

**Are virtual events the  
future?**

**What does a  
successful virtual  
event look like ?**

**How else can we keep  
our audience  
engaged ?**

**How do we get cut  
through in a crowded  
market place ?**

**How can we use less  
budget and resource  
effectively?**

**The future...?**

# Questions

Please ask questions via the Q&A

# The us & us collective.
